CPP31519 Certificate III in Real Estate Practice

Real Estate School Based Apprenticeships & Traineeships (SBAT) **Property SBAT**

For more information on Smart & Skilled visit www.smartandskilled.nsw.gov.au

What is an SBAT?

A Property SBAT is a great way to explore a career in the real estate sector while you are still completing your HSC. They are available to high school students in NSW who are in Year 10, 11, and 12. As well as a nationally recognised, industry qualification, you will gain credit towards your HSC.

Benefits to you?

- Nationally recognised training including the entry level requirements to work in the real estate sector in NSW
- Potentially gain credit toward your HSC
- Paid while you learn
- Hands on industry experience in the real estate sector

What do I have to do?

- 1. Complete the nominated qualification by the end of your HSC year.
- 2. Undertake required paid work days, by 31 December of your HSC year.
- 3. Generally work one day per week during term time. This will be negotiated between your school, employer, parents/carers, and RETS.
- 4. Undertake training with RETS.

How can you complete the course?

RETS runs this course as follows:

On the job training:

When you take on an SBAT, you will generally work one day per week during term time. You will experience the benefit from on-the-job training and experience that you will gain in your workplace. This practical experience in your workplace teaches you the ins and outs of a particular industry. You will gain insights into the everyday tasks you would usually complete in full-time employment position in this industry. After you complete your traineeship, you may continue to work in the organisation where you completed your traineeship.

Formal training:

You will also receive formal training during your traineeship. Formal training must be delivered by a Registered Training Organisation (RTO), that is RETS.

Online blended – E-learning

RETS delivers training to you using an online blended – E-learning model. You can access learning materials online on our learning Management System (LMS), RETS E-campus.
